IDENTIFY OPPORTUNITIES

1. What do you like best about this area?
   - The natural beauty
   - Student interaction & gathering
   - Heart of campus

2. List three things that you would do to improve this area that could be done right away and that wouldn’t cost a lot:
   - Pedestrian access at Daycare
   - New Green space, dining facility – create “The Pit”
   - More defined place of community
   - Replace Trees
   - Add stone on Sanford & Old Belk Library entrances
   - Shut down Mall

3. What three changes would you make in the long term that would have the biggest impact?
   - Repair Brick/mortar
   - Remove/repair bulletin boards
   - Bare spots on walkways, grass – where foot traffic occurs
   - Consistent signage on buildings, and architecture on campus
   - Walkways without cracks.
   - Porticos on buildings to bring consistent look.
   - Move child care center
   - Renew Planters in front of DD Doherty
   - Cigarette butt Improvements
   - Diversity for students presentation
   - Tear down I.G. Greer, build new building for Arts and Science
   - Tear down L.S. Dougherty and Lucy Brock & build more efficient class room building
   - Implement the campus design standard with the new & renovated buildings

4. Ask someone who is walking around in this area what they like about it and what they would do to improve it. Their answer:

5. What academic, student or community partnerships can you identify that could help implement some of your proposed improvements? Please be as specific as possible.
   - All student Groups
   - Student Affairs Polices
   - University diversities to resume funding – plan should be a dining free building usage.
   - Student development and SGA could do with use of Sanford Mall Area
